

# Knights of Columbus Council 11768 Scholarship Application

This year's scholarship application is now available from the main page of the council website:

<http://www.kofc11768.org/>

There is an instruction page on the front page of the application. To ensure we have all the information needed and in the order needed for evaluation, please complete this application in full and follow the instructions along the way.

The applications will be copied and any information that will positively identify the applicant will be blacked out. The applications will then be reviewed and read by several Knights and scored. The winner will then be presented to our pastor for approval. We will take care to protect your anonymity throughout this process. In the event of a tie, the leading candidates will be interviewed so a single recipient will prevail.
